

Panclip for Wood Substrates

DMI Panclip fasteners are designed for applications requiring a low profile installed finish. Panclip fasteners are popular for many applications including Standing Seam Metal panel applications, cladding panel installation, window installations, metal lath applications, insulated panel & nailboard attachment and other fixture attachment to wood substrates.

- Panclip fasteners are available with our DMG85 coating that surpasses Florida Building Code Requirements, B117 1000 hr salt spray testing, FBC requirements of 1506.6 , ASTM TAS 114 Appendix E and Miami-Dade County requirements of ASTM G85 Annex 5.

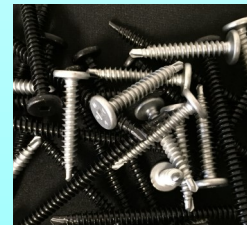

Panclip Premium Fasteners for Wood Substrate Applications:

| Size (D - T x L) | Drive-Point | Steel/Coated - Part# | Qty/Box | Stainless Steel - Part# | Qty/Box |
|------------------|----------------|-------------------------------|---------|---------------------------|---------|
| #10-9 x 1" | S2/P2 - TP-17 | Silver DMG85 - DMIPD10100T | 5,000 | | |
| #10-9 x 1" | S2 - TP-17 | White DMG85 - DMIPD1010TW001 | 5,000 | Silver 304SS - DMIP31010D | 5,000 |
| #10-12 x 1" | P2 - USA Sharp | Gray E - DMIPA1010W/1106553 | 4,000 | | |
| #10-13 x 1" | R2 - Sharp | Blue DMG85 - DMIPDX1010BA | 5,000 | | |
| #10-9 x 1-1/2" | S2/P2 - TP-17 | Silver DMG85 - DMIPD10150T | 2,500 | | |
| #10-9 x 1-1/2" | S2 - TP-17 | White DMG85 - DMIPD1015TW001 | 2,500 | Silver 304SS - DMIP31015D | 2,500 |

| #10-9 x 2-1/2" | S2/P2 - TP-17 | Silver DMG85 - DMIPD10250T | 2,000 | | |
| #10-9 x 2-1/2" | S2 - TP-17 | White DMG85 - DMIPD10250TW001 | 2,000 | | |
| #10-9 x 3" | S2 - TP-17 | White DMG85 - DMIPD1030TW001 | 1,500 | | |
| #12-11 x 3/4" | S2 - Sharp | Silver DMG85 - DMIPD1203411T | 5,000 | Silver 304SS - DMIP31234D | 5,000 |
| #12-11 x 1" | S2/P2 - Sharp | Silver DMG85 - DMIPD121011T | 5,000 | | |

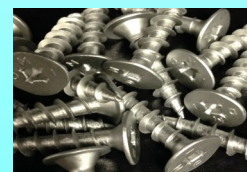

Panclip SDL Premium Coated Fasteners for Wood Substrate & up to 16 ga Metal Applications:

| Size (D - T x L) | Drive-Point | Steel/Coated - Part# | Qty/Box | 410 Stainless Steel - Part# | Qty/Box |
|------------------|-------------|--------------------------|---------|------------------------------|---------|
| #14-13 x 1-1/2" | S2 - SD1 | Black DMG85 - DMIPL1415D | 2,500 | Silver SS+DMG85 - DMIP41415D | 2,500 |
| #14-13 x 3" | S2 - SD1 | Black DMG85 - DMIPL1430D | 2,000 | Silver SS+DMG85 - DMIP41430D | 1,000 |
| #14-13 x 4" | S2 - SD1 | Black DMG85 - DMIPL1440D | 1,000 | | |
| #14-13 x 5" | S2 - SD1 | Black DMG85 - DMIPL1450D | 1,000 | Silver SS+DMG85 - DMIP41450D | 500 |
| #14-13 x 6" | S2 - SD1 | Black DMG85 - DMIPL1460D | 1,000 | | |
| #14-13 x 7" | S2 - SD1 | Black DMG85 - DMIPL1470D | 1,000 | Silver SS+DMG85 - DMIP41470D | 500 |
| #14-13 x 8" | S2 - SD1 | Black DMG85 - DMIPL1480D | 1,000 | | |

Panclip XLP (Extra Low Profile) Premium Fasteners for Nailstrip to Wood Substrate Applications :

| Size (D - T x L) | Drive-Point | Steel/Coated - Part# | Qty/Box | 304 Stainless Steel PSV - Part# | Qty/Box |
|------------------|---------------|------------------------------|---------|---------------------------------|---------|
| #12-8 x 1" | S2 - Sharp | Silver DMG85 - DMIPXLP121SD | 5,000 | Silver 304SS - DMIPXLP121SS | 5,000 |
| #12-8 x 1-1/2" | R2/S2 - Sharp | Silver DMG85 - DMIPXLP1215SD | 2,500 | Silver 304SS - DMIPXLP1215SS | 2,500 |

Contact DMI for individual technical data sheets or samples if needed. The above Panclip fasteners are Designed to exceed B117 1000 hr salt spray testing, FBC 1506.6 , ASTM TAS 114 Appendix E and ASTM G85 Annex 5 requirements and standards. All sizes do not have specific approval numbers please ask your salesperson for tech sheets with listing numbers.

DMI offers products for sale to our registered distributor network only.

To find a distributor please contact 855-800-8878 or email wtb@directmetalsinc.com

Panclip SD for Metal Substrate

DMI Panclip SD fasteners are designed for applications requiring a low profile installed finish. Panclip SD fasteners are popular for many applications including Standing Seam Metal panel applications, cladding panel installation, window installations, metal lath applications, insulated panel & nailboard attachment and other fixture attachment to metal substrates.

- Panclip fasteners are available with our DMG85 coating that surpasses Florida Building Code Requirements, B117 1000 hr salt spray testing, FBC requirements of 1506.6 , ASTM TAS 114 Appendix E and Miami-Dade County requirements of ASTM G85 Annex 5.

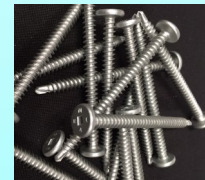

Panclip Premium Fasteners for Steel Substrate Applications:

| Size (D - T x L) | Drive-Point | Steel/Coated - Part# | Qty/Box | 410 Stainless Steel - Part# | Qty/Box |
|------------------|-------------|-----------------------------|---------|--------------------------------|---------|
| #10-16 x 3/4" | S2 - SD3 | | | Silver SS+DMG85 - DMIP41075DC | 5,000 |
| #10-16 x 1" | S2/P2 - SD2 | Silver DMG85 - DMIPD210100C | 5,000 | Silver SS+DMG85 - DMIPD210100C | 5,000 |
| #10-16 x 1-1/2" | S2/P2 - SD2 | Silver DMG85 - DMIPD210150C | 2,500 | | |
