Thank you for the trust you have placed in our products and services. We are proud to have you as a partner in the distribution of high quality products and components for the building industry.

Due to the tariff pressures our supplier ITW will be raising pricing on select fasteners shown below on 08/26/2018. This in turn will cause DMI to raise our sell pricing on this items on 09/07/2018

Sammys Suspension Anchors 5% increase.

ITW Sealants 5504 Self Leveling Acrylic Sealant for narrow joint sealing and back bedding 4%.

It is our initiative to keep you as competitive as possible in your own market, throughout this period of raw material cost inflation. We will continue to diligently work with our suppliers to keep our material and freight costs under control even under the existing phenomenal world building material climate.

Thank you for your support, Andrew Mullen, President
