

# The Bullet Gooseneck Vent

The Bullet Vent is popular for kitchen and dryer vent exhausts that terminate through a roofing surface. They are designed to be a no-leak and aesthetically pleasing alternative to old style metal gooseneck vents. This innovative product comes with a built in diverter/cricket, a debris screen and rain damper.

## Features & Benefits:

- Fast Installation, no painting needed, colored throughout.
- 100% UV protected HD Polypropylene carbonate material.
- Will not crack in hot or cold installations.
- Very affordable with a 35 year manufacturers warranty.
- Built in cricket for enhanced water flow-around.
- Paintable
- Made in the U.S.A.
- Florida Product Approval # FL 25870.2 - R2

## Specifications

UV Protected Polypropylene Carbonate with removable black plastic damper and debris/pest screen.

Service Temp: -59 deg c to 90 deg c

Flange Size: 8" = 14.5 x 16", 10" = 16.5 x 18" flange, 9" = 15.5 x 17.25"

Direct Metals, Inc. has worked diligently to set up a distribution network including over 1500 wholesale roofing supply locations, building products distributors, and OEM Manufacturers. As DMI is not set up for one time purchases or direct to market sales to building owners, builders, contractors, installers or end users we rely on this network to bring our products to market. Direct Metals, Inc. sells materials directly to our registered distributor network. We do not offer direct sales however we can assist you in finding the right product and your closest distributor.
