Direct Metals, Inc. has worked diligently to set up a distribution network including over 1500 wholesale roofing supply locations, building products distributors, and OEM Manufacturers. As DMI is not set up for one time purchases or direct to market sales to building owners, builders, contractors, installers or end users we rely on this network to bring our products to market. Direct Metals, Inc. sells materials directly to our registered distributor network. We do not offer direct sales however we can assist you in finding the right product and your closest distributor.

Where do I buy?

To find a distributor of the products in this catalog please call 239-599-8527 or email orders@directmetalsinc.com with the Subject help me find a distributor of your Bullet products and an associate will be happy to assist you.
