

1-1/2" Snaplock HD 550 Clip

HD Snaplock Clip

Designed for the installation of 550SL Snaplock Panels metal roofing panels. Modified design for customers who prefer a greater panel to clip connection (than light duty 2" parts") and superior panel performance. Designed for use with specified Panclip XLP extra low profile fasteners or #10 Panclip pancake head fasteners.

Features:

- Fastening holes will accept #10, #12 Panclip Fasteners and #10 and #12 XLP.
- 3" wide (wider than 2" competitors) for superior performance
- G90 galvanized steel to meet Florida Building code requirements from Section 1506.7 / R904.5.3 of the FBC Code.
- 304 Stainless Steel version also available for coastal applications.
- In line screw hole placement for superior performance.
- Nested packaging for ease of use, and transportation.
