STST43D Standard Blind Rivet

- Stainless Steel body and mandrel; Dome head
- STST43D - 1/8" diameter: grip range 0.125" - 0.187"
- Ideally suited for metal trim applications and other light gauge installations
- Provides secure and permanent fastening solution
- Good installed appearance
- Won't loosen in high vibration or fatigue applications
- Quality and repeatability of assembly
- No over driving or under driving
- Installed function of the rivet will be consistent and is independent of the installer's technique
