TOOLS

BITS, NUT SETTERS, BENDING AND CUTTING

HEX NUT-SETTERS AND BIT TIPS

DMI distributors offer magnetic and LSC Hex drivers for the installation of hex and HWH fasteners. LSC has a pressure spring instead of a magnetic disc to hold the fastener making them the choice for driving stainless steel and other non-magnetic hex head fasteners. We also offer a variety of Phillips, Square, and T-25 Drive drive bit tips.

New retail shelf packaging coming 4th qtr 2023 below. These parts will come in sealable plastic bins.

Plastic Bins	Bin/Case	Part#
1/4" x 2.5" Hex LSC	100/400	DMIPSSHL14V
5/16"x 2.5" Hex LSC	100/400	DMIPSSHL516V
